*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

## EVERY DAY S A FESTIVAL!: DIVERSITY ON SHOW (HARDBACK)

Sean Kingston Publishing, United Kingdom, 2011. Hardback. Book Condition: New. 234 x 160 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Despite their ubiquity and cultural prominence, the academic study of arts festivals has long been neglected. The burgeoning festivals industry is, however, firmly embedded in both the arts funding and weekly calendar of European cities, and there is no doubt that festivals are fast becoming a defining feature of urban life in the twenty-first century. An assessment of their nature and impact is more pressing than ever before. The contributors to this volume explore the modern urban festival and the difference it makes to the experience and management of diversity in the city. Their research reveals an unsettling coupling of the celebration of local diversity with institutional amnesia, in which the memory of a festival hardly ever outlasts its funding. This book documents a key phenomenon of our time, the supplanting of community-based remembering with the repetitive structures of events whose historic and interpretative depth is lost amid a spiraling velocity of festivalization .
